1. Go to your app store/marketplace and download the free **OverDrive app** on your device.
2. Click on the "**Get Books**" button in the upper right corner of the OverDrive app screen.
3. Type in your zipcode. This should bring up a new screen with **Southwest Michigan Digital Library**. Select it!
4. This takes you to the web page for OverDrive where you may search for e-books, place holds on them, and download them directly to your device without any computer necessary.
5. When your borrowing period is over, your device will tell you that your books have expired and give you the option to delete them. Please do so!
